(*a*) whether representations have been received by the Government for setting up new industries in Kolar Gold Fields ;

(*b*) whether the Government intend to do so ?

A.—Sri B. D. JATTI (Chief Minister).—

(*a*) Yes.

(*b*) Government do not have under contemplation any industry to be started in the public sector. If concrete proposals are made to start industries in the private sector, Government would be glad to extend the usual and normal facilities to help the establishment of such industries.

Sri M. C. NARASIMHAN.—Is it not a fact that sometime ago *i.e.*, in 1955-56, a committee was constituted to go into this question and that committee made a recommendation for setting up some of the industries taking into account the needs of the area ?

† Sri B. D. JATTI.—In view of the Third Five-Year Plan, an industrial estate is to be established in that area.

Sri M. C. NARASIMHAN.—When exactly Sir ?

Sri B. D. JATTI.—After the first of April, we will have to consider the number of industries which will be allotted to Mysore by the Central Government, we are thinking of starting an industrial estate in that area.

Sri M. C. NARASIMHAN.—May I bring it to your notice that the plan proposals for 1960-61 do not make any reference to this ?

Sri B. D. JATTI.—It is not necessary to mention there. We will have to think of starting an industrial estate after taking into account the number of industries which will be allotted to Mysore from the Central Government.

Sri M. C. NARASIMHAN.—After it is allotted by the Government of India, will the Government think of establishing an industrial estate at K.G.F. ?

Sri B. D. JATTI.—We are considering to start industries during 1961-62.
